

BIBLIOGRAPHY

a) Regular Publications

In Canada, there are two regular publications on disarmament. They are:

The Disarmament Bulletin, published semi-annually by the Department of External Affairs, Ottawa.

The Ploughshares Monitor, a bi-monthly newsletter of Project Ploughshares: A Working Group on Canadian Military Policy, 321 Chapel St., Ottawa K1N 7Z2.

In the United States, **Arms Control Today** is published by the Arms Control Association, 11 Dupont Circle NW, Washington, DC 20036.

b) Other Material

'Arms control'. **International Journal**, 36 (Summer 1981). The entire issue is devoted to the subject of arms control.

Arms control and disarmament agreements: texts and histories of negotiations. Washington: US Arms Control and Disarmament Agency, 1980.

Bernard, Jean-Thomas et Truchon, Michel. **Impact du désarmement sur l'économie canadienne.** Département économique, Faculté des sciences sociales, Université Laval, Août 1980.

Disarmament: a periodic review by the United Nations. New York: Sales Section, United Nations. Published three times a year, each issue contains articles, a chronology of events and a bibliography.

Dean, Roy. 'Disarmament and the Soviet Union.' **World Today**, 35 (October, 1979) 408-13.
