Major H. Willis O'Connor,
Government House,
Ottawa.

My dear Willis:-

Old Mac at Kingston wants information as to the Corps guidon. This is a small Canadian flag flown from the car. Will you please give him a thorough description of it as to size, colour, emblems, etc. I gathered from Mac's letter that he wants to reproduce it in the Sir Arthur Currie Hall.

Please remember me kindly to Mrs. O'Connor, and with all good wishes, I am, dear Willis,

Yours ever,
