BOOKS.

We have the following, among other books, in stock :

Ridgway's Check List North American Birds. Post free \$0 35

Naturalist's Manual: By Oliver Davie, containing descriptions of the nesting habits and eggs of our birds, from the Turdidæ to the Tanagridæ, also directions for collecting and preserving birds, eggs, and insects. The method of stuffing birds given in this book is the one we use, and we believe it is the best. Post paid 0 60

Jordan's Manual of the Vertebrates, New and Revised edition, containing all the vertebrates north of North Carolina, and east of the Mississippi river, the best book of the kind published. Price 2 50

~~We keep on hand a large stock of new and second-hand books in all departments of literature, and any thing any book will do well to consult us, if we have not got it, we may probably procure it.~~

We keep on hand a full supply of bird's eyes, blow-pipes, egg drills, rustic and turned stands, etc., and receive orders for cases, cabinets, etc.

Birds, and all kinds of animals preserved, stuffed, and mounted at reasonable rates, and in firstclass style.

✉ If you do not wish to keep this List please hand it to some one interested in Ornithology.
