THE CHURCH

—AND—

BRETHRENISM ;

The pamphlet is simple, the substance of four sermons preached from the same text in the churches of my parish—Church, Hillier; St. Mark's, Green Lane; and St. Andrew, Wellington.

As many have expressed a desire to have the text of the sermons printed for their own use, I have thought it better to publish the sermons in this form.

HILLIER.

PICTON :

PRINTED AT THE "PICTON GAZETTE" CHEAP BOOK AND JOB PRINTING HOUSE.

1875.
