

"Thinking in Hemispheres"

"Most men think in bailiwicks, many think in shires, occasionally one thinks in nations — only a few ever think in hemispheres," a great statesman is reputed to have said. The reader of

The Christian Science Monitor

An International Daily Newspaper

is compelled to think in hemispheres.

In news, in editorial attention, in advertising, Melbourne is the neighbor of New York, London is over the fence from Valparaiso.

From its own news bureaus and special correspondents throughout the world The Monitor collects the news of the world, and circulates back the printed papers to every country on the globe.

It is indispensable to the man, woman or child, of any creed or country who can read English, and who would make his view world-wide.

The Christian Science Monitor, 3c a copy, is on general sale throughout the world at news stands, hotels and Christian Science reading rooms. A monthly trial subscription by mail anywhere in the world for 75c; a sample copy on request.

Prevent Infection

The daily use of Absorbine, Jr., as a mouth wash is healthful and refreshing. It kills germs and is a true preventive. It is made of herbs—contains no acids or minerals—and is safe and pleasant to use.

In his report on Absorbine, Jr., after making exhaustive tests, Prof. J. D. Hird, Biological Chemist, Washington, D. C., Writes:

"Four or five drops of Absorbine, Jr., to an ounce of water is sufficient to thoroughly cleanse the mouth and teeth of injurious bacteria, without injurious action on the teeth.

Absorbine, Jr.
THE ANTISEPTIC LINIMENT

in addition to being an efficient germicide, accomplishes everything usually expected of a high-grade liniment. It is needed daily for the numerous little hurts that come through work in and about the home—for the children's bruises in their rough-and-tumble play.

Cleanses and Heals—cuts, bruises, lacerations, sores.

Reduces Inflammation and Swelling—from sprains, wrenches, swollen veins and glands; tired, aching feet.

Relieves Aches and Pains—soothing and cooling.

Absorbine, Jr., is mild but powerful—has a pleasing odor, does not stain or leave a greasy residue. Highly concentrated and only a few drops required at an application.
