

The Brazel Patent

# Snow Plough and Road Maker

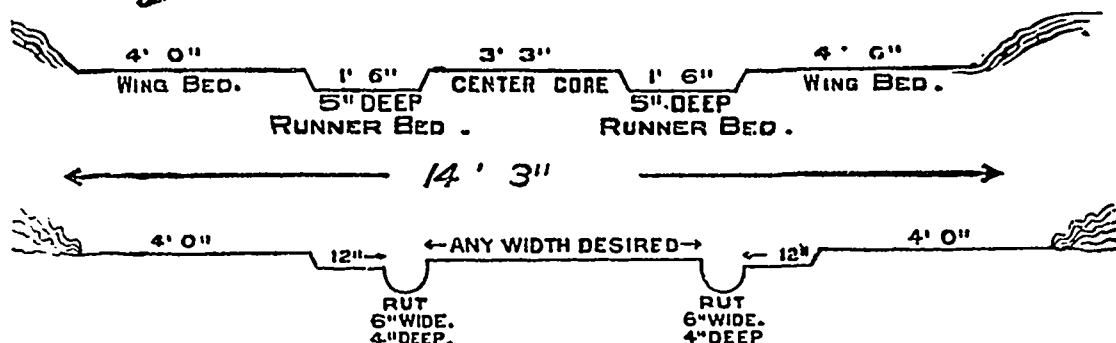

Not a Lumberman in Canada can afford to be without a Snow Plough, Rutter and Road Maker. The foremost and most enterprising men recognize this and have placed their orders.

For use in snow and ice roads. Saves sleighs and harness. Endorsed by all lumbermen who have used them. Cuts six inches wider than sleighs. Rolls snow clear of track. Cuts off knolls, fills up holes. Levels roads perfectly, prevents sleighs from sliding. Cuts off dirt and manure, leaving it on bank. Ploughs up, rolls out and pushes clear 12 inches of loose snow each time machine passes over road.

An attachment for extra team behind machine can be furnished when required. Made all widths.

The Wilkinson Plough Co., Limited, Toronto, control the rights of manufacture and sale. Write for price and description.
