ATTENTION is called to prices of brick in the City of Winnipeg:

COMMON BRICK sell to members of the Brick Association at \$8.10 per 1000.
 IMPORTED PRESS BRICK range in prices from \$20.00 to \$30.00, according to quality and color.

In conclusion we are safe in counting upon large sales for the reason that the highly finished press brick made by the Keizer Brick Machine will take the place of common at the price of the latter.
