

Dr. Cook, of Quebec; Dr. Williamson, of Queen's; Dr. George, of Queen's; Prof. McKerras, of Queen's; Dr. Barclay, of Toronto; Dr. Norman McLeod, of Glasgow; Principal Snodgrass, of Queen's, and many others of the Old Kirk days, were the preachers at St. John's on the great occasions.

She has also given of her sons to the Church.

Prof. McKerras, Dr. Campbell, the present Moderator of Assembly; Rev. W. C. McLean of Oak Lake; Rev. J. W. Muirhead, of Whitewood, all went from St. John's, and they are all worthy of her best traditions.

The congregation at present is in a most prosperous condition. Ever since the fire which bulks more largely than any other event, a new life and energy has come. In March a building committee was appointed, Robert Wright, Chairman; W. B. Smellie, Secretary; and Messrs. James Publow, E. A. Geiger, W. B. Reynolds, John Grant, W. B. Thompson, A. G. Dobbie, Geo. Robertson, Geo. Wright.

For the Committee it has been a busy year, much thought and energy have been expended, but on account of the unity, and enthusiasm of the members, the work has been pleasant; and now St. John's Church is one of the handsomest and most comfortable in the province.

The congregation itself is well organized for work. The Sabbath School is prosperous; the Young People have a vigorous Society; and the Missionary Societies are all accomplishing much, and now with the stimulus of a new Church, greater things are still expected.

“The latter glory of this house shall be greater than the former saith the Lord of Hosts; and in this place will I give peace, saith the Lord of Hosts.”
