

Important—Please Read

There are twelve books comprised in this series, one for each month of the year. The book YOU particularly need is the one which aims to describe YOUR characteristics—that is, the one bearing the name of the month in which you were born. Therein you may **LEARN THE TRUTH ABOUT YOUR-SELF**—how to make the most of your opportunities—how to win success and avoid failure.

Thousands of persons fail to succeed in life simply because they remain in ignorance of the riches with which Nature has endowed them.

Keep your eyes fixed upon the goal of your ambition. Fire your determination to win wealth and happiness by committing to memory the precepts of the little book which we have placed within your reach.

"Failure" is a word approved only by the ignorant and the lazy. Such persons are not likely to be interested in our publications. But those who have ambition — those who believe in themselves and need only to be guided aright—will read what is contained in these little books and to the end of their lives will be grateful for the valuable help which we have brought to them.

Those born in July will want the July book. Those born in August will want the August book, and so on.

The complete series comprises the following:

Were you born in January?
Were you born in February?
Were you born in March?
Were you born in April?
Were you born in May?
Were you born in June?
Were you born in July?
