The wide-awake, aggressive boy of today demands "good clothes"--- clothes that express the best that is in him and give him individuality.

Many boys, however, think that clothes of the better sort are beyond the reach of mothers' pocket-book. If you are one of these, Simpson clothes will open your eyes---they'll give you style, appearance, comfort and long wear in fullest measure, at much less than mother has often paid for equal qualities in your suits before.

Simpson suits for boys are free from every suggestion of the "faddish" or the "extreme" in style and pattern. Here are some good ones you should ask to see.
