GERHARD HEINTZMAN-

To those who know the volume of our business it is a matter of surprise that so large a business is done in such limited space. Our secret is "a quick turn-over," and at times when we have pianos that are slightly used or differing in even such secondary matters as case design, etc., we clear them out even at a sacrifice in price. The present offering is an important one, containing many exceptional bargains. They are worth an immediate examination-Do not wait till you happen to pass our wareroom. If necessary, come down town on purpose. It will repay you.

Nature's Way is Best. VARSITY "LIT" NOMINATIONS The function strengthening and tissue building plan of treating chronic, lingering and obstinate cases of disease as pursued by Dr. Pierce, is following after Nature's plan of restoring health.

He uses natural remedies, that is extracts from native medicinal roots, prepared by processes wrought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in just the right proportions. With Varsity elections one week away, the campaign waxes hotter and hotter. The gym. was packed with students last night at the nomination meeting.

where located.

You don't have to take Dr. Pierce's say-so alone as to this; what he claims for his "Discovery" is backed up by the writings of the most eminent men in the medical profession. A request by postal card or letter, addressed to Dr. R. V. Pierce, Buffalo, N. Y., for a little book of extracts from eminent medical authorities endorsing the ingredients of his medicines, will bring a little book free that is worthy of your attention if needing a good, safe, reliable remedy of known composition for the cure of almost any old chronic, or lingering malady.

Dr. Pierce's Pleasant Pellets cure constipation. One little "Pellet" is a gentle laxative, and two a mild esthartic.

The most valuable book for both men

The most valuable book for both men and women is Dr. Pierce's Common Sense Medical Adviser. A splendid 1008-page volume, with engravings and colored plates. Preliminary Hearing in Case Against Kleingbeil-Son and Daughter Are Witnesses.

Belleville, March 9 .- (Special.) - The ary investigation into the Flint this afternoon. Intense interest is manifested in the case, and the courtroom was crowded.

William Little told of his discovery of the crime, and how he had informed the authorities. Dr. Yeomans, who was first called to the injured woman, told of how he had visited her and how old Kleingbeil had said he pounded her with his fists because she was "sassy"; he also told that they had quarreled over their son, Herman, who, the old fellow said, was not his son.

Drs. Gibson and Boyce, who conducted the postmortem, gave technical descriptions of the woman's injuries, which, they said, caused death and could not have been self inflicted.

Mrs. Dulmage, daughter of the Kleingbeils', was the object of much sympathy as she gave her testimony. She sobbed all the time, and the old prisoner broke down and cried as his daughter told of finding her mother in a dying condition. Her father told her that he and her mother quarreled, her mother was saucy and he beat her. Drink, he said, was the cause of it. He also spoke of her brother Herman. Herman Kleingbeil was a new witness. He testified that before he left home, years ago, he had known his father to abuse his mother, both with his tongue and his fists.

The old man grew excited as his son gave this testimony, and afterwards denied it to the police magistrate.

At 4.30 the hearing was adjourned till Tuesday morning next. Very little sympathy is expressed for Kleingbeil, especially among those who know him best. court here before Magistrate Flint this afternoon. Intense interest

the fiscal year, ending June 30, was issued to day.

In it Deputy Minister Parmelee notes as apparent falling off in the aggregate trade of Canada of two and a half million. Imports for the period increased \$7,000,000, but there was a decline of \$10,200,000 in exports. Imports from Great Britain remained about stationary, while there was a considerable increase in the imports from France and the United States.

Canada's exports to Great Britain fell off considerably, and those to Germany and Holland moderately, while there was an increase of four millions in exports to the United States. During the year there was a decline of \$6,100,000 in grain exports, \$5,700,000 being wheat; cheese fell off four millions, bacou one million, and apples two millions.
