teams on junior teams was brought up
and the executive decided to deal with it

"The Executive may suspend or expel a
club for notorious and continued foul play,

CURING FOR THE TANKARD.

Prospect Park and Oshawa Left in
Primary Group No. 6.

Final Game to Be Played This Morning on
Granite Ice—Interesting Games in the
Same Rink—Yesterday—Group No. 3
Clubs to Curt to Day.

"Sandy" from Oshawa and the plucky
Tankard curlers from the prosperous eastern
town came to the city yesterday morning
to play the draw in group No. 6 of the
primary competition.

The Toronto Club brothers were their op-
ponents, and the match was played in the
morning on Granite ice. The result was a
victory for the out-of-town rinks by a ma-
jority of 10 shots, and it was to the ability
of Oshawa's Sandy—that is, Alex Rankin—
that the victory went. His post. His rink
was 10 shots ahead and Panshon and Ed-
munds tied.

The other draw in the morning was be-
tween the Oshawa and Lakeview rinks. The
Mutual-street curlers scored an easy
victory, their majority being 37 shots. In
the afternoon the winners met in the
Granite rink. It was a battle royal all the
way between the Oshawa and Panshon's
team, and at the seventh end the score
was a tie at 10. Then the Walker Cup
champions scored in regular order until at
the finish they had a majority of 10 shots.

Across the way, where "Sandy" was
throwing his granites, the Oshawa rink
was not in a different position. When
the ends were tallied up, they were 10
shots ahead. The Oshawa rink was 10
shots ahead of the Granite rink. The Oshawa
rink was 10 shots ahead of the Granite rink.

ASSOCIATION FOOTBALL.

Annual Meeting of the Varsity Club—New
Office of Manager Created, and
Bogart Gets It.

The annual meeting of the University
College Association Football Club was held
yesterday in the gymnasium. Judging from
the large numbers present and the prevail-
ing enthusiasm, the success of the associa-
tion around Varsity next fall is already as-
sured.

The prospect of matches with other clubs
throughout the province, such as those of
Queen's, Kingston, the Agricultural Col-
lege, Guelph, and others will no doubt do
much to make the game very popular
among the students of the various univer-
sities. The unanimous decision of the
meeting was that the appointment
of Mr. Bogart placed that office in the
hands of one whose energy and thorough
knowledge of the game practically ensures
a successful season for the fall of '98.

The club is now in a position to look
for the ensuing year. Hon. Pres. Mr. A.
Carruthers, M.A.; Pres., Mr. W. M. Vi-
