VERY MUCH LIKE A COMBINE.

Mill Owners and Lumber Merchants of Ottawa Valley Moving for Uniform Standard.

Ottawa, Nov. 15.—A meeting of the leading mill-owners and lumber merchants of the Ottawa Valley was held yesterday at the office of the Hull Lumber Company, when a resolution was adopted to move to establish a uniform standard of grades. As a result of the discussion, it was decided that it is likely that a standard will be arranged and adopted in the near future. This will benefit both the buyer and seller, as when a certain price is asked and paid for lumber, a common standard can be referred to which will put all lumber dealers on an equal footing. Hereafter if a buyer agreed on a certain price he might be buying on a different basis from different dealers, although the one grade might be agreed upon throughout. The past season's business was also discussed, and it was agreed by all to have been the most successful experienced in the past five years. Prices, especially in the lower grades, were very high, and almost the entire season's cut has been done in a few days. The mill-owners are arranging to do a heavy winter's work in the woods, but owing to a scarcity of labor on some lines there will not be as much timber cut as was expected. Representatives of the Hull and Hawkesbury Lumber Companies, W. C. Edwards, company, J. R. Booth and Gilmour & Hughes were present at the meeting.

FEARFUL RAILWAY SMASH.

Express with Distinguished Passengers in Collision—Seven Deaths Already Reported.

Amsterdam, Nov. 15.—A London express from Funching collided with another train Tuesday morning at a foggy morning. Five persons were killed outright and 29 were injured, of which number 15 sustained injuries from which they cannot recover. The collision was in the railroad district of London, and the disaster occurred at 10.15 a.m. The Serpentine Minister at London was among the injured.

ONE OF A BAD GANG.

A Bicyclist Knocked Down and Robbed by an Unknown Night-Walker.

There is a bad gang prowling about the city precincts these days, and it behooves the police to double their vigilance. Last night, at 10.30 o'clock, Arthur Gordon, who lives at 1838 Ouellet-street, Toronto, was wheeling home from the city. When at the corner of Dundas and Conduit-streets, he was stopped by a man who jumped into the road and knocked him down with a club. He was unable to get up, and his pockets were turned inside out, and about \$5 taken. He did not recover until some time after the assault, and was unable to describe his assailant. His face is badly cut.

E. W. RATHBUN TAKEN ILL.

Mayor of Deseronto Fell on the Street While Going to His Office—Now Resting Easily.

Napanee, Nov. 15.—(Special).—When going to his office yesterday morning Mr. E. W. Rathbun, mayor of Deseronto, was taken suddenly ill, and fell down on the street. He was immediately taken to his home, and a physician summoned. At last, Mr. Rathbun was resting quietly. Heart trouble is supposed to have been the cause of his illness.

Cumbers and melons are "forbidden fruit" to many of the faithful, but the least indulgence is followed by attacks of cholera, dysentery, griping, etc. These persons are not aware that they can indulge to their heart's content if they use Dr. J. D. Kellogg's Dr. J. D. Kellogg's medicine that will give immediate relief and is a sure cure for the worst cases.
