#### Hindenburg Admits Receiving Setback But Talks of Goal

German Peace Will

AMSTERDAM, Aug. 22.—Field Marshal Hindenburg, addressing the 3rd Regiment of Guards, as reported by the Tages Zeitung of Berlin, said:

"Let us look into the future. Our position is favorable, although, and we may frankly admit it, we lately have happened to have been set back. But this is a fortune of war with which we must reckon. We must not permit ourselves to be influenced thereby.

"Success is with us. The enemy begins to show signs of wearlness, and so long as we do not relax our efforts, but remain firm of purpose, we shall attain our goal, which is an honorable, strong German peace."

### ALLIES SET UP TWO COUNCILS IN RUSSIA TO **EXECUTE PLAN**

International Bodies To Have Seats at Vladivostok and Archangel.

TO CO-ORDINATE EFFORTS

Is Closed and Norway Watches Interests.

WASHINGTON, Aug. 22. — Because the Bolshevik Government declared a Common Inheritance"; Hon. T. Miyao- state of war exists between Russia and the United States, Vice-Consul Imbrie has lowered the United States flag over the consulate at Petrograd, closed the consulate and placed the affairs of the United States in charge of the Nor egian Government. Americans in Petrograd, of whom there are approximately twenty, have been warned by the vice-consul to leave the country. Their houses were searched. One of them is under arrest,

and one is in hiding. Two Allied Councils. In order to co-ordinate the efforts of the Allies and the United States in Russia, an official dispatch from France today says, it has been decided to create two international councils, one at Archangel, including the Entente ambassadors under the presidency of American Ambassador Francis, and the other at Vladivostok, to be composed of five high officials. On the Vladivostok council Great
Britain will be represented by Sir
Charles Ellot as high commissioner;
Japan by Mr. Matsudaira, and France
by Engene Regnault.

Establish Civii Government.

The re-establishment of civil government at Vladivostok and Archangel will be the first task of the international councils, it was said by officials here, who pointed out that such action at Vladivostok would allow the military commands to devote themselves exclusively to clearing the region between Irkutsk and the Pacific of the Bolsheviki and their allies, liberated German and Austrian prisoners. This accomplished, the work of the Vladivostok commission would be to push westward and eventually co-ordinate with the commission at Archangel.

The news of the declaration of a state of war with the United States is disturbing.

It was suggested today that the speech of Minister of War Trotzky at Moscow late in July, in which he declared that a state of war existed between Russia and Great Britain and France and their Allies, and which Foreign Minister Tchnitcherin modified, in response to an inquiry by Consul-General Poole to "a state of defence against the Allies" was the real basis for the latest development in Petrograd. It was thought that upon receipt of the report of Trotzky's speech, the Petrograd Bolshevik authorities interpreted it as they saw fit and issued their declaration of war against the United States.

### TWO STORAGE FIRMS MUST NOT DEAL IN EGGS FOR A MONTH

Davies Company, Montreal.

EGGS 14 PER CENT BAD

But Bad Ones Are Not

Charged Back.

The object of this regulation was to prevent an undue quantity of bad eggs reaching the market, and by its enforcement it becomes unprofitable for a dealer to handle them, and he is obliged to charge back against the producer or the country merchant from whom he purchased the eggs the amount paid for them over and above the allowance of one per cent margin permitted by the board.

In the case of the two companies under suspension, it was found that no attempt had been made to charge back for unsound eggs, although in some cases it was shown by the candling records the percentage of bad eggs ran as high as 14 per cent.

of These Two Women Buffalo, N. Y .- "I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my housework."- Mrs. B. B. Zielinska, 202 Weiss Street,

I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E.
