THIS MOTHER AND DAUGHTER

Both Made Well by Lydia E. Pinkham's Vegetable Compound.

Steele, Ala.—"During the Change of Life I had hot flashes, was nervous, run down, and had sick headaches for two or three days at a time. I took Lydia E. Pinkham's Vegetable Compound and I am much stronger and better in every way than I was. My daughter's health broke down last June from teaching school without a rest, and she has taken Lydia E. Pinkham's Vegetable Compound and the Blood Medicine with good results. She is much better and teaching now and I give you my medicine the praise. You are welcome to use this letter for the benefit of other suffering women."—Mrs. P. A. GAINES, R.R. No. 1, Steele, Ala.

Women who suffer as Mrs. Gaines did should not hesitate to give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial, as the evidence that is constantly being published proves beyond question that this grand old remedy has relieved much suffering among women.

BE SUSPICIOUS OF TENDER GUMS

Be suspicious of any tenderness or bleeding of the gums. This is usually the first stage of Pyorrhea—an insidious disease of the gums that destroys the teeth and undermines bodily health.

Gradually the gums become spongy. They inflame, then shrink, thus exposing the unenameled tooth-base to the ravages of decay. Tiny openings in the gums form gateways for disease germs to enter the system. Medical science has traced many ills to these infecting germs in the gums weakened by Pyorrhea.

They are now known to be a frequent cause of indigestion, anaemia, rheumatism and other serious conditions.

So watch carefully for that first tenderness or bleeding of the gums. Try Forhan's immediately. It positively prevents Pyorrhea (Riggs' Disease) if used in time and used consistently.

And in preventing Pyorrhea—it guards against other ills.

Forhan's (For the Gums) cleans teeth scientifically as well. Brush your teeth with it. It keeps the teeth white and clean.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment.

SEVERAL FIRMS HOLD OUTINGS AT LAKESIDE

With the weatherman doing his best Saturday, Port Stanley was the scene of several successful picnics, the lakeside resort being the mecca for hundreds of merry-makers from London, St. Thomas and Cleveland. The employees of several firms gathered on Invererie Heights for their annual outing, a good program of sports being run off in each case.

Possibly the largest picnic from London was that staged by the employees of Betty Bros., who, with their wives and families, made up a merry throng of about 500 people. Upon arrival at Port in the morning the York street plant baseball team defeated the Chelsea Green factory nine by a score of 15 to 5. Following this game, the victors encountered difficulties with representatives of the Bethurst street team, but finally sent them down to defeat to the tune of 3 to 1.

In the afternoon the employees adjourned to Invererie Heights for the sports. The best item was the pole race, ten men being required to run astride a pole, to the detriment of the spectators.

Following are the winners in the various events:

Boys' race, 7 to 10 years—Walter Robson, Thomas McConnell, Sydney Clark.

Girls' race, 7 to 10 years—Evelyn Trudell, May O'Sullivan, Irene Quarrier.

Boys' race, 10 to 14 years—Walter Robinson, Leon Stevenson, Arnold McConnell.

Girls' race, 10 to 14 years—Marion Wilson, Caroline Trudell, Evelyn Trudell.

LAWSON & JONES.

The 38th annual outing of the employees of Lawson & Jones, Limited, from St. Thomas, was held at Port Stanley on Saturday.

The picnic party, numbering about four hundred, left London at 10:30 a.m. and upon arrival at Port Stanley an exciting game of baseball was played between girls representing the London and St. Thomas plants respectively as contestants.

The local girls proved their superiority over the Railway City maids in a decisive battle, the final score being 18 to 8.

At the conclusion of the game, the entire crowd being seated together. Following this important function, the sports began, but owing to the fact that A. Wood, clerk of the course, came late, no definite list of results was kept.

Included on the program were many special events in the nature of novelty contests which added to the enjoyment of the occasion.

Possibly the best of the lot was the mystery man contest. A prize was given to the employee who captured the mystery man (one from London and one from St. Thomas) by slapping him on the back and pronouncing him as the mystery man. As the slapping

process continued all day, more shoulders were in order over Sunday, particularly with those unfortunate males whom the ladies suspected.

A. E. of St. Thomas was captured by C. Metcalfe and W. Morgan, mystery man from the London plant, fell a victim to Mrs. E. Clark, husky left.

A special race for children was run off, and every contestant was presented with a tankard containing an amount of \$1 as a start by Ray Lawson, M. McGowan proved a candy man with his special in which H. Dwyer showed a good Indian. The chicken race proved a scream, the ladies being required to hop about on one foot while the antics of the men in the leap-frog race proved equally as interesting.

Following is a partial list of the successful employees in the sports:

Ladies' throwing baseball—Miss Price, Miss E. French, Miss Schroeder.

Chicken race—Miss Faulkner, Miss Walters.

Puzzle contest—Miss Sergeant and W. Ansell.

Time race—G. Edworthy.

Peanut race—O. Harris, O. McCausland, E. French.

UNION SERVICE HELD IN KING STREET CHURCH

Rev. H. T. Ferguson conducted the union service in King Street Presbyterian Church Sunday evening for the congregation of that church and Central Methodist Church, preaching on the subject, "The Call of Jesus."

Mr. Ferguson in one division of his topic said the call of Jesus was a call to heart-rest. Today one hears on all sides of great unrest, both individually and socially. Everywhere men are crying for peace of soul for satisfaction of heart. Some are trying to break down established orders of society, hoping that new orders will give satisfaction. Lack of harmony with God, said Mr. Ferguson, is the cause of all dissatisfaction. "There cannot be peace without God."

AWNING ON FIRE.

The fire department made a run to 302½ Dundas street at 11:55 o'clock Sunday morning and extinguished a blaze which partially destroyed an awning.
