#### Note and Comment

The class of racers on the Canadian tracks this winter was best exemplified at Montreal yesterday, when Doris B., the Picton pacing mare, made a world's record for the fastest four heats on ice, and then she had to do her best to defeat Merry Widow, the New York mare taking the first heat.

The State of Montana has legislated against betting on horse racing, except in so far as it applies to county fairs, and there is, accordingly, a corresponding boom in county fairs in that state.

in so far as it applies to county fairs, and there is, accordingly, a corresponding boom in county fairs in that state.

Jem Driscoll, the new featherweight champion, who secured the title by his victory over Abe Attell last night in New York, was born in Wales in 1831, and has a wonderful record. He stands five feet live linches tall, never has been defeated, and has many knockouts to his credit. He began his professional ring career in 1901, taking part in eight mills, all decided in Wales. He scored seven clean knockouts and won his eighth bout on a decision. Driscoll won four battles on points in 1902, scored four knockouts and won two decisions in 1903, at the same time boxing George Dixon to a draw in six rounds. He took part in six fights in 1904, three of them ending in knock-outs.

There are eight classes, as follows: 105, 112, 118, 125, 125, 145, 158 and heavyweight.
The prizes are gold and silver watches, now on view in Ryrie's window, for the winners and runners-up, and boxing gloves for third.

#### LONGBOAT STAYS AWAY.

Tom Longboat is still secluded in the east. He did not come to Toronto, as per schedule, and only a few went to the depot expecting to greet him, the Tom Flanagan and one or two Irish-Canadians were on hand. Harry Pollock, partner of Pat Powers, will be in town this morning with the expectation of inducirer the Indian to keep his engagement with Shrubb in Buffalo, the the general feeling in Toronto is that the race will be postponed. Tom Flanagan feels very much aggrieved at the manner Longboat is treating Powers and Shrubb in the matter.

In 1905 Driscoll stopped Jack Roberts in seven rounds in London, defeated Johnny Summers in two rounds in Wales knocked out Charley Lambey, beat Bowker on Marke in fifteen rounds at the National Sporting Club, and then put Fred Clifton and Harry Mansfield to sleep in three and Tourteen rounds, respectively. The Driscoll won decisively, according to the laws of New York State only an understood decision was arrived at, and Attell will likely still claim the title.

While the bloated baseball magnates are warring amongst themselves, they regard the veteran players who haunt the hotel lobbies patronizingly, even benignly, except those of the dewn-and-out brigade, who are themselves in touching mood.

A feat that her was according in 2.15 in the fourth and final heat. All manner of credit must be given to Ed. Herrington for the excellent condition Doris B. was in, as the race proved she is one of the best pacers that ever set foot on an ice track, and at the same time it should not detract one particle from the reputation of Merry Widow as this mare, who is eligible to the 2.20 class, went a long way out of her class to suffer defeat.

The other race of the day, the 2.16 trot, was also most interesting and proved a great betting race.

MILTON. Feb. 19.—Ingersoll and Milton intermediates played the first of their round in the semi-finals. Milton's defence was greatly weakened in the absence of Lott, cover-point, who was hurt in the Milton-Galt game on Tuesday night. At half-time Milton looked like winners, with a score of 4 to 1, but Ingersoll boys did better in the second half, and the finish was a tie, 5 to 5. The play was clean, considering the soft ice.

New Hamburg 9, Baden 1.

NEW HAMBURG, Feb. 19.—The Baden hockey team blew into town this evening fresh from their victory over Ayr, and expected to give the home team the same dose in the Oxford-Waterloo game, played here to-night, but they were badly disappointed, as the New Hamburgers trimmed them by a score of 9 to 1. The first half was closer, the score being 2 to 1. The lee was soft and the puck would not travel, making play difficult. J. Livingstone of Baden played a fast game and was applauded. The home boys all played well. Wally Hern of Stratford refereed and was very sharp on offsides, giving good satisfaction. The line-up:

Baden (1)—Goal, A. Livingstone; point, Rose; cover, J. Livingstone; rover, Russell; centre, Rettinger; left wing, Kaufman; right wing, Dunley.

New Hamburg (9)—Goal, Beck; point, Sherer; cover, Becker; rovem Merner; centre, Schultz; left wing, Uffelmann; right wing, Stumpf.

On slushy ice, Lindsay Midgets defeated T. R. C. at Mutual-street last night in the return intermediate O.H.A. semi-final by the score of 5 to 1, the visitors leading at the interval, 4 to 0. Lindsay; therefore are winners of the round by 11 to 2.

The Midgets were all to the mustard, being represented by the fastest and most evenly balanced team seen here in years, and last night, according to the play. Lindsay should have won farther away than they did, Randall, the midget right wing for the visitors, was, perhaps, the star, his stick-handling and checking back being great, while our old friend, Reg. Blomfield, formerly of the Argos, ran Randall a good second for first honors. Cote is also good at left wing while the defence play a steady and consistent game, T. R. The betting went to even just before the fighters entered the ring. Attell's seconds were Charlie Seiger, Al Lippe, Al McMurray and Jimmy DeForest, while Jimmy Johnson, Charley Harvey and Boyce Driscoil looked after the Englishman. Attell was the first to enter the ring and was cordially greeted. He wore light bandages on his hands. Attell was followed shortly after by Driscoil, whose hands were also bandaged. Referee Charlie White called the men to the centre of the ring and gave them their his structions. The gong then rang for the Structions. The gong then rang for the face three times and Attell sent left to the head. Driscoil's left went to the face three times and Attell sent left to wind and crowded Jem to the ropes. best for T.R.C.

The largest intermediate, even senior, O.H.A. crowd witnessed the match, Lindsay running a special train, but the game was marred by the incompetency of Referee Sargent of Orillia, who by his raw rulings got himself into bad odor with the crowd, especially after he had allowed Lindsay to count a goal when he had rung his bell thee seconds before the puck scored. And thus happened just after T.R.C. had scored a goal after the referee had rung his bell.

No doubt Sargent tried to be fair, but the task was altogether too big for him. No doubt Sargent tried to be fair, but the task was altogether too big for him, he being clearly to sea when to put a player off and when not to and if it had not been for the prompt handling of Bricker and Manager Short of T.R.C., along with Bob Day of Mutual-street, Sargent might have been severely handled by some of the enraged cranks, all of which will no doubt give Sargent a taste of how a certain referee felt in Collingwhich will no doubt give Sargent a taste of how a certain referee felt in Collingwood four years ago when the referee made a mistake in the score, giving the Barrie team the game, when the score was a tie and Sargent then captain of the Barrie team, knew the game was a tie, but denied it when appealed to by the referee.
