Hence the antimomy between the church and the indiomy between the church and the subject of lan's Point, or somewhere just as good, so many tragedies, but never leaves the tragic environment without the note ander introduced a particularly clever

of triumph and peace.

The motive of "The White Sister" handsome one at that, and the costurns on the inviolability of the vows turns on the inviolability of the vows taken by one who desires to live the consecrated life of a nun. Angela, the Sister Giovanna of the play, has assumed the veil under the mistaken besumed the veil under the mistaken belief that her betrothed has perished life that her betrothed he was life to the life that her betrothed has perished life that her betrothed has perished life that her betrothed her was life to the life that her betrothed her was life to the life that her betrothed her betrothed her was life to the life that her betrothed her was life to the life that her betrothed her was life to the life to the life that her betrothed her was life to the life that her betrothed her was life to the life that her betrothed her was life to the life that her betrothed her was life to the life that her betrothed her was life to the life that her betrothed her was life to the life that her betrothed her was life to the life that her betrothed her was life to the life that her betrothed her life that her life th with the expedition of which he was the head in an African disaster. Love in his case is stronger than church teaching and Capt. Severn, by means of a fictitious message, brings ner to his brother's rooms. There occurs the great scene of the play, when he first secures the signature to the request for dispensation, and later, in response to her appeal to his sense of woman he loves, and leaving her happy to follow the life of devotion and selfcrifice, which is the greatest tribute

of his own enduring loyalty. Altho the play is cast in sombre colors, it leaves no shadow. "The White Sister" gripped the audience from beginning to end and the silence which marked the denouements was the nest proof of the hold it exerted. As Sister Giovanna, Miss Allen made a really profound impression. Without any trace of exaggeration, without the importation of the slightest tinge of meiodrama, she gave a characterization strong because of its natural emotion and absolute self-restraint. Hetty King, one of England's cleverest male impersonators, is the headliner at Shea's this week. Hetty is a dainty little person and her work is good. She has a number of character Cohan and Harris' Minstrels. Everybody does not care for a min-strel show, but those who do will flock to the Princess for the three perform-end of it and leave the American stuff ances that remain to-night and to-morrow by the Cohan and Harris troupe.
