DR. J. D. KELLOGG'S DYSENTERY CORDIAL

A SURE CURE FOR

**Dysentery, Diarrhoea, Cholera, Griping
Pains in the Bowels, Summer Com-
plaints, Children Teething,
Sea Sickness, Etc.**

This cordial is prepared from drugs known to the profession as thoroughly reliable for the cure of the above named diseases. And having been used by medical practitioners for a number of years, with gratifying results, we place it on the market with the fullest confidence of its giving entire satisfaction.

All infants are more or less subject to this disease; older children and adults generally bring it on by eating green vegetables or unripe fruit, and in every instance it soon weakens even the strongest. It should be checked on its first appearance, and to do this effectually there is nothing better than Dr. J. D. Kellogg's DYSENTERY CORDIAL, an article possessing excellent medicinal qualities for the disease named above. It acts with wonderful rapidity, and never fails when taken at the commencement.

NO PERSON SHOULD go from home without a bottle of Dr. J. D. Kellogg's DYSENTERY CORDIAL in their possession, as change of water, cooking, climate, etc., frequently brings on summer complaint, and there is nothing like being ready with a sure remedy at hand, which often-times saves great suffering, and frequently valuable lives.

Mr. E. D. Newton, Toronto, writes:—"I have used Dr. Kellogg's Dysentery Cordial and found it the best medicine I ever used for Diarrhoea."

Mrs. Stack, Toronto, writes:—"I have much pleasure in saying that four doses of Dr. J. D. Kellogg's Dysentery Cordial cured me of a very severe attack of Cholera Morbus. I never saw anything act so quick in subduing the pain and stopping the purging."

Mr. George Smedley, Toronto, says Dr. Kellogg's Dysentery Cordial cured him of Cholera Morbus.

Mr. J. J. Doyle, Sackville St., Toronto, writes:—"I am pleased to testify to the excellence of Dr. J. D. Kellogg's Dysentery Cordial, and would not be without it. I was very ill with cramps and could not get anything to relieve me until I was advised to use the Cordial, which gave me instant relief."

Copland's Sweet Castor Oil.

EQUALLY SUITABLE FOR CHILDREN AND ADULTS.

Endorsed by over 600 doctors in Canada.

We have recollections that are hard to erase from our memory of a time when the good old-fashioned but disagreeable Castor Oil was the favorite medicine with our mothers. We then feared to tell that we were sick, for we knew what would follow that acknowledgment. We preferred suffering in silence rather than take that nauseous and sickening medicine. But with the advancement of science this feeling has disappeared; one discovery has followed another; and one of the most important in the history of medicine is the discovery of a way whereby Castor Oil can be sweetened and rendered palatable.

TO THE INVENTOR of COPLAND'S SWEET CASTOR OIL is the world indebted for this valuable improvement on a staple household medicine. After careful and long research he made this discovery, and called his preparation

COPLAND'S SWEET CASTOR OIL.

It is of the same strength and medical qualities as the ordinary Castor Oil, and while equally safe and harmless, yet acts with more certainty, and produces neither nausea nor griping. Some children say it is honey; others call it syrup—they all say they like it. One parent says: "My children drink it like water"; another: "We had to hide the bottle or they would have finished it right off"; another: "My little girl has taken it twice without any trouble, and does not know what it is, though she hates the ordinary Castor Oil, and we could never get her to take it without a fight." Yet another: "I wish you success of your SWEET CASTOR OIL; it is a splendid thing, sure to take the place of all the common oil."

Below are names of a few medical men acquainted with Copland's Sweet Castor Oil, who certify that it is a great improvement on ordinary Castor Oil, and recommend it as pleasant, harmless, efficacious, and supplying a long-felt want; L. Brock, M.D., Guelph; D. Macintosh, M.D., Hamilton; E. Clapham, M.D., L.R.C.S., Belleville; Geo. W. Wright, M.D., Berlin; Y. Cowen, M.D., Galt; Geo. Smith, M.R.C.S.E., Stratford; James P. Morden, M.D., Picton; R. B. Addison, M.D., Farmersville; W. H. Street, M.D., London; H. C. Rugg, M.D., Perth; James Patterson, M.D., Almonte; Francis W. Campbell, M.D., Montreal; J. McNaughton, M.S., S.M., Newcastle; Wm. Wade, M.D., M.R.C.S.E., Cobourg.

The undersigned having purchased Messrs. T. Copland & Co.'s interest in the above preparation are now manufacturing it from the original recipe.
