## PREFACE.

IN presenting the Eighth Edition of the CITY OF TORONTO DIRECTORY to the public, the Compiler begs to assure his patrons that every effort has been made to render the work as complete and reliable as possible, and to thank them for their liberal support. This edition contains upwards of *Sixteen Thousand Names*, which, including Yorkville, Leslieville, Brockton and Chester, is the average of a city of about *Seventy-five Thousand Inhabitants*.

It is the intention of the proprietor to issue the work annually, and at an early date in Spring.

Notice of anticipated removals, formation or dissolution of partnerships, election of society officers and other information, should be sent by mail to "PUBLISHER, CITY DIRECTORY," early in January.

It may be useful to mention that this edition contains upwards of *two thousand names of citizens* omitted in a Directory published lately by a Lower Canadian firm.

W. H. IRWIN,

*Compiler and Proprietor.*
