WILL HAVE NEW TREATY

LONDON, June 27.—The Daily Mail's Tokyo correspondent says that apparently Japan and the United States have agreed that the existing treaty should be replaced by a new treaty in 1909, when the correspondent says, Japan will fight hard to place her subjects on an equal footing with Europeans. Until then no serious difficulty is dreaded.

ONE THOUSAND NEW HOUSES

J. E. Cowan of Main street received the first consignment of native wild strawberries yesterday. They were sent down river on the steamer Aberdeen from Geo. S. Thorne, Akerley's Wharf, on the Washademoak. They are selling for twenty cents a box. Considering the backward weather this is rather early for native berries.

HUSBAND THREW BEANS AT HEAD

Moncton Woman Suing for Divorce in Boston. (Boston Journal.) "One night my husband came home and was angry because supper wasn't ready. When he, my sister and myself sat down to the table he helped himself liberally, refusing to serve either of us. When I asked for food, he responded by throwing a dish of hot beans at my head."
