in Great Britain and Ireland, or that of the College of Physicians and Surgeons of Quebec, or that of the Law Society of Ontario or Quebec, or having passed an Examination recognized as equivalent to any of the above, is also accepted by Trinity Medical School, and by the University of Trinity College,

Non-matriculated students from the Maritime Provinces, Manitoba, and the North-West, the West Indies, or other British Colonies, the United States, or from any quarter, who do not take the Council's examinations, are admitted to attend lectures in the School. But if such desire to graduate at Trinity College, they must present themselves for the Trinity University Medical Matriculation Examination, which is held twice a year, in October and March. Students who are not graduates, or matriculates in Arts, who desire to graduate in the University of Toronto, must take the Medical Matriculation of that institution.

The matriculation of either of the Universities MAY BE PASSED AT ANY TIME BEFORE GRADUATION. Details as to these examinations are given in this announcement under the proper headings.

The Medical Council of Ontario requires that every one desirous of being registered as a matriculated student on its register, shall present to the Registrar of the Council, the official certificate of having passed the HIGH SCHOOL INTERMEDIATE EXAMINATION, OR THE THIRD CLASS NON-PROFESSIONAL EXAMINATION, WITH LATIN INCLUDED.

Students who may previously have passed the HIGH SCHOOL INTERMEDIATE, OR THE THIRD-CLASS NON-PROFESSIONAL EXAMINATION, WITHOUT THE LATIN,* can complete the required examination by going up to a subsequent examination, for the LATIN only. But the names of such students cannot be entered on the Medical Council's Register *till the Latin has been passed.*

Graduates in Arts, or Students who have matriculated in Arts, in any University in Her Majesty's dominions, **are not required to pass any further matriculation examination**, but are entitled to register, on payment to the Council of the usual fee, \$20.

Thus, there are but the following ways of being registered *with the Medical Council*, as a matriculated student :—

- I. By having passed the High School Intermediate, or the Third Class Non-Professional Examination, with Latin.
- II. By being a graduate, or a matriculate in Arts, in a British, or Colonial University.

* The work in Latin for the Third-Class Non-Professional, for 1885, is Cato Major.
