Mothers!

That precious little morsel of humanity for which you paid
the price of motherhood; that jewel of your heart dearer to you
than life itself; that joy, that climax of your whole existence.
Your baby, your own baby.

We know you realize as only a mother can, the grave responsibility
that is yours. We know there is no care you will
not take, no sacrifice you will not gladly make to fan that little
flame of life into a glowing blaze of health and vigor. But
do you know, do you realize that the Demons Dust and Dirt
are trying to take that little life away from you?

Those chubby little hands that pound
upon the carpet floor breathe the Demon of
Dust.

Isn't any cleaning device that does not
raise the dust worth its weight in gold to
you?

The Electric Sweeper—Vac makes no
dust.

It gets ALL the dirt.

For if you wish sanitary con-
ditions, call at our show-room,
and we will explain to you how
to buy a Vacuum Cleaner on
easy payments.

Time used is Atlantic Standard.

Miss Edith Sims, daughter of Mr. and
Mrs. John Sims, Moncton, N. B., has
been engaged to be married to a young
man with a Harvard surgical unit which is to
sail for France from the United States.

Pte. Harry Kimball, a returned soldier,
received a handsome fountain pen, suit-
ably engraved, last evening from a party
of his friends at his home in City road.
Music and dancing were enjoyed during
the evening.

A St. John branch of the Audubon So-
ciety of America was organized at a
meeting of the Royal Standard Club
yesterday afternoon. The president,
Mrs. George Doherty, reported that the
year's finances were most encouraging.
The receipts were \$8,578 and the ex-
penditures \$8,568, leaving a small bal-
ance on hand.

Plans were discussed last evening for
the re-opening of the city playgrounds
at the monthly meeting of the Play-
grounds Association in the Y. M. C. A.
building. Reports were received from
the Boys' and Girls' Clubs. A hearty
vote of thanks was extended to all those
who had entertained the clubs during the
winter.

The following sums were voted at a
meeting of the Royal Standard Club
last evening: \$20 for West Side Detention
Hospital; \$100 to Soldiers' Monument
Fund; \$300 to British Soldiers' Relief
Fund; \$800 to the men of the navy,
through Lady Beatty; \$800 to the Bel-
gian Fund; from the results of self de-
dication day with an additional \$800 raised
through Mrs. E. Atherton Smith's lec-
ture, and \$80 for wool for knitting dur-
ing the summer.

The concert given by the Main street
Baptist church boy scout troop in the
Sunday school rooms last evening was
very successful, both from the point of
view of the programme and the large at-
tendance. Those taking part were Mrs.
Perris, C. Allaby, St. James Boy Scout
Bugle Band, H. F. Black's family or-
chestra, A. C. Skelton, Ronald Roberts,
Miss Roberts, Misses Hutchinson and
Dykeman, Wallace Forgy, Rev. David
Hutchinson, Miss Parkinson, Miss
Hawley, George Turnbull, H. M. Hyson,
Scout Master Lewis McDonald and
Scout Hamm.

MORNING WAR NOTES.

Northwest of Rheims, French troops
have taken the first German line on
front of about two and a half miles,
capturing 600 prisoners. On the eastern
end of the Vaucelles plain, the village
of Crouais has been captured by the
French.

The British statement tells of further
progress on the western front and the
strengthening of positions in the Hindun-

gry.

burg line captured on Thursday. Dur-
ing the day 900 prisoners were taken.

A British destroyer of the older type
struck a mine in the English channel on
May 2 and sank. One officer and sixty-
one members of the crew are missing and
believed lost.

BANISH PIMPLES AND ERUPTIONS

In the Spring Most People Need a
Tonic Medicine

One of the surest signs that the blood
is out of order is the pimples, unsightly
eruptions and eczema that come fre-
quently with the change from winter to
spring. These prove that the long in-
tor of winter has had its effect
upon the blood, and that a tonic me-
dicine is needed to put it right. Indeed
there are few people who do not need
a tonic at this season. Bad blood does
not merely show itself in disgusting
eruptions and eczema that come fre-
quently with the change from winter to
spring. These prove that the long in-
tor of winter has had its effect
upon the blood, and that a tonic me-
dicine is needed to put it right. Indeed
there are few people who do not need

quently with the change from winter to
spring. These prove that the long in-
tor of winter has had its effect
upon the blood, and that a tonic me-
dicine is needed to put it right. Indeed
there are few people who do not need
a tonic at this season. Bad blood does
not merely show itself in disgusting
eruptions and eczema that come fre-
quently with the change from winter to
spring. These prove that the long in-
tor of winter has had its effect
upon the blood, and that a tonic me-
dicine is needed to put it right. Indeed
