ADVENTURES OF THE TWINS

MISTER COON'S PARTY.

Why, I thought maybe you'd help me with that. Mister Ringtail Coon came into the little store in the woods and walked up to the counter and said, "I would like to buy some party invitations."

Why You Need Iron—
To Make You Strong and "Brainy" and Put the
Power Into Your Blood To Overcome Disease Germs

The food you eat contains carbon. When your food is digested it is absorbed into the blood. When the carbon in your food comes in contact with the oxygen carried by the iron in your blood, the carbon and oxygen unite and by doing so they give off tremendous energy, thereby giving you great force, strength and endurance. Without iron your blood carries no oxygen and without oxygen there is nothing to unite with the carbon in your food so that what you eat does you no good—you do not get any strength from it—it is like putting coal into a stove without a fire. You cannot get any heat unless the coal unites with the fire. The strongest weapon with which to prevent and overcome colds, pneumonia, kidney trouble, rheumatism, nervous prostration, in fact almost any disease or disease germ is

birthday party or a dinner party? "Neither," answered Mister Coon. "I'm giving a radio party. I'm going to ask all my friends in to hear my new radio machine that I bought." "That will be fine," said Nancy. "What are you going to say on your invitations?" "Why, I thought maybe you'd help me with that," said Mister Coon. "You see, I am no great hand at writing. I sort of thought I'd begin this way: 'I take my pen in hand to ask you—' "That's too old-fashioned," said Nancy. "Suppose you say, 'Mister Coon requests the pleasure of your company on Tuesday night at 8 o'clock, R. S. V. P.' " "Sound pretty elegant," said Mister Coon. "But what does the R. S. V. P. mean? Refreshments served very promptly, I suppose?" "Oh, no," said Nancy. "It's French. It means to please send an answer right away."

And so it was arranged. Nancy wrote all the invitations to Mister Coon's radio party, and Nick took them around to the neighbors received invitations with pink edges and a picture on top and such fine words, there was a great flurry and commotion. "I haven't a thing to wear!" called Mrs. Cracknuts out of her front window to Mrs. Bunny. "We either," said Mrs. Bunny. "I've worn my brown alpaca with the white spots to every mortal thing that ever came on. And the muffs got into Ben's best trousers and I don't know what he's ever going to do."

"Back was Very Painful
I am now Well Again"

Mrs. Wm. Walker, Webbwood, Ont., writes: "I was sick for several months with my stomach. I had pains in the back, and how I used to dread wash day, for my back would pain so that I couldn't lie down when night came. I also had gas on my stomach, and my appetite was so poor that sometimes I did not care whether I ate or not. The doctor gave me medicine, of which I took a number of bottles without benefit. At last I started to use Dr. Chase's Kidney-Liver Pills, and although I have only used three boxes, I am quite well again."

WHOLE FAMILY
REAPS BENEFIT

Mr. and Mrs. Davis, Son and Daughter, Rejoice in Discovery of Famous Herbal Medicine.

Mrs. W. H. Davis, of 1 White Avenue, Toronto, makes the following statement on behalf of her family of four, every one of which is taking Drecto and improving in health. "My husband has suffered for ten years from stomach and liver trouble. He was chronically constipated, causing the constant use of laxatives. His food would not digest properly. It would sour and gas would form in a hard lump in his stomach. He also had dizzy spells, and severe headaches troubled him. In bending over, pains would shoot across his back. Nearly every joint in his body ached with rheumatic pains and it was impossible for him to even lace his shoes. "We spent hundreds of dollars in search of a good remedy that would give him good results. I then read of what Drecto was doing for so many people right in our own city and Mr. Davis and I decided to give it a trial. Truly, the results have been very pleasing. "His appetite is good, the pains through his back and joints are much improved. He no longer has that tired, pale, haggard look and doesn't mind his work, as he feels much stronger and has more vitality. "I was so pleased with his growing improvement each day that I decided that Drecto was just what the children and my own system needed. As a result, their appetites have greatly improved and they seem to get the proper nourishment from their food, causing very noticeable benefits in their general condition. "My system is in a better condition than it has been for many months. I can eat various foods now that I have been unable to eat for a long time, because of indigestion and gastric spells. I also suffered from six headaches, nervousness and dizzy spells, which have many times kept me in bed for two or three days and made it impossible for me to do my household work. These troubles have been entirely relieved by Drecto. "I am very happy over the benefit my family has derived from Drecto, and gladly do we recommend it. Its merits are surprising. "Drecto is a reliable household remedy endorsed by thousands who have discovered its genuine merit. Compounded from the juices of medicinal herbs, roots, bark and leaves, it tones and regulates the whole system and quickly relieves indigestion, gastritis, sick headache, backache, pains in the limbs, constipation, biliousness and many other ailments. Build up your system with Drecto, the proven remedy that contains no mercury, potash or habit forming drugs. "Drecto is being specially introduced in St. John by Ross Drug Co., 100 King St. Moore's Drug Store, 105 Prince Edward St. F. W. Munro, 357 Main St. and in West St. John by Watson R. Dunlop. It is also sold in Fairville by T. H. Wilson, and by a good druggist everywhere."
