Indigestion For 2 Years

Few people seem to realize that chronic indigestion is a disease of the intestines rather than of the stomach. Even the doctors err in this way, as is proven by this letter.

Dr. Chase's Kidney-Liver Pills are the most effective treatment obtainable for chronic indigestion, because they awaken the action of the liver and bowels, sweep the foul impurities from the system, and set the whole digestive system in perfect working order.

Mrs. George Swan, Ashworth, Ont., writes: "My husband suffered with indigestion for two years. We tried three different doctors, but they didn't help my husband very much. As he still suffered, he began using Dr. Chase's Kidney-Liver Pills, and soon got relief. I am thankful to Dr. Chase's Kidney-Liver Pills for the cure of my husband after other treatments had failed."

Skin Peeling Nature's Aid to New Complexion

(From Woman's Tribune.) Meekized wax is a natural beautifier. By flensing off the dried surface skin, it merely hastens Nature's work. The second skin layer, brought gradually to view, exhibits the healthy, youthful glow produced by healthy circulation. This because the apillaries are thus brought nearer the surface; also because the new skin is unsoiled by dust and dirt. This wax, to be had at any drugstore (and once will do) is put on nightly like cold cream, washed off mornings with warm water. Its work usually is completed in from seven to ten days, long enough not to show too marked results from day to day, or cause pain or itching indoors.

A face bath to remove wrinkles, made by dissolving an ounce of saxoth in a half pint witch hazel, is another natural beautifier, since its astringent and tonic effects smooth out the wrinkles in accordance with Nature's own process.
