For the first time this month, live hogs exceeded the demand. It was stated on Tuesday that there would be a good demand on Wednesday. They sold for \$13 and \$13.50 per hundredweight, with the majority of the sales around the maximum quotation. Dressed hog prices were lower today. They were plentiful and it is thought that this is the reason for the drop in prices. From \$18.50 to \$19 per hundredweight. Oats are in an unsettled condition. day's stock market, yesterday's rally being for the most part well sustained or extended. Rails and oils were the leading issues, with food specialties and utilities. American telephone forfeited a very small part of yesterday's substantial gain, but coppers continued to ease as a result of adverse trade conditions. Preliminary quotations for foreign exchange gave promise of an active day in that quarter. British and Italian rates approached their maximum figures for many months.

A Man is just as Young and Strong as his Blood No man can fight the battles of life and hold his own if his blood is not pure, for rich red blood is what strength is based upon. When you see a strong, vigorous man, who never knows when he is licked, you may wager that such a man has coursing through his veins rich, red blood. Many people have thin, pale blood. They are weak, tire easily, become discouraged quickly, and sometimes feel like giving up the struggle. Such folks need Dr. Pierce's Golden Medical Discovery, which is sold by druggists in liquid or tablet form. Contains no alcohol.

CENTRAL BUTTE, SASK.—"I have used Dr. Pierce's Medical Discovery for a number of years, and am pleased to recommend it as a blood purifier. I know it has no equal, as I used it for my boy. My neighbors and friends were surprised with the results; in fact, I do not think he would be alive to-day had it not been for the 'Medical Discovery' I also keep it on hand for courses as it diff. I do not think he would be alive to-day had it not been for the 'Medical Discovery.' I also keep it on hand for coughs, as it differs so from other cough medicines, instead of upsetting the stomach, as most cough syrups do, it is good for the stomach. I only wish I had known about Dr. Pierce's medicines sooner."—MES.
