

# Paying Too Much For Their Whistle

THAT'S what farmers are doing who buy ready-woven fence.

Why, field-woven fence would be cheapest in the end if the wire cost as much as the ready-woven fence! But it don't. That's the point.

It costs but a trifle over half. And it actually costs a farmer less to weave his fence in the field with the Improved London, the fastest and best field weaver in the world, than it usually costs for high-priced labor in the factory, to weave the same fence and erect it after.

The London will clean up 40 to 60 rods per day like a top. Ask your hardware dealer or implement agent for the London Machines and Coiled Spring Wire, or write us for catalogue.
