NOTICE TO THE PUBLIC.

MUCH disappointment and inconvenience having been experienced by the public, in consequence of the Mail for England having been closed at 8, instead of 9 P. M., on Thursday last, the Royal Mail Steamer from Boston having been reported at an earlier hour than usual, it has been considered desirable, to prevent a recurrence of the disappointment, to change the hour of closing the English Mail at this Office:—

Commencing, therefore, on THURSDAY next, the 22nd inst., the Mail for England, will, by directions of the Government, be finally closed, for the receipt of letters at the window at 9 P. M. instead of 8 P. M., as heretofore.

Letters, &c. for England which may be dropped into the Box after the hour of closing, and up to the arrival of the Packet, will be forwarded in a bag, loose; but the Public are requested in all practicable cases, to post their correspondence in time to be made up in the regular Mail, and thereby insure greater security.
