ELECTION OF WATER COMMISSIONERS FOR 1874 & 5.

To the Electors of West Toronto: GENTLEMEN,—

I have been asked by many Property Owners and Ratepayers of West Toronto to offer myself as a Candidate for your suffrages as Water Commissioner, at the Ensuing Elections, (to be held January 5th, 1874.)

In cheerfully acceding to the request, I assume that the duties of the position call for some practical knowledge of the sanitary laws by which dense populations should be guided in obtaining unlimited and readily available supplies of water, and that the duties also demand from your Representatives an honest determination to so act and vote that you shall have undoubted security that the monies to be expended shall be scrupulously guarded and the disbursement thereof so faithfully managed that no reproach may rest on the shoulders of your Commissioners.

Having the privilege of personal acquaintance with leading Engineers of Great Britain and Ireland, and having had different opportunities of examining the thoroughness of their work, careful observation of their efforts has guided my judgment in matters that will of necessity be decided by your Representatives.

To the second requirement, I base my claim to general support on the fact that I have been for twenty-three years a resident ratepayer in Toronto, during which term I have acted in your and my own interests, in the varied positions of Mechanic, Tradesman, and Ratepayer, as to entitle me to your confidence.

I am at liberty to state that my candidature has the approval of at least three gentlemen to whom the Citizens have heretofore given their confidence for the planning and execution of the work now to be done in our City.

I shall make it my duty to call on as many of you as possible. Should the limited time between the issue of this and "Election day" prevent me from seeing each voter in the West at his place of business or residence, I request that for this reason I may not be the less considered of your vote and support.

I am, Gentlemen, Yours most faithfully, J. EDWARDS.
