"Salvador"

requires no present intro-
duction. From the time
it was ORIGINALLY put
on the market it easily
led, so far as a Malt
beverage was concerned,
in the estimation of the
connoisseurs. This lead
it still holds, by reason of
the fact that the utmost
care is exercised in the
selection of the several in-
gredients that enter into
its makeup, namely, the CHOICEST
BARLEY, the CHOICEST HOPS,
and FILTERED WATER—the ut-
most cleanliness being observed—all
departments being under the super-
intendence of the ONLY Brewmaster
who comes from the original "Sal-
vador" Brewery, Munich, Germany,
Mr. Lothar Reinhardt, and so we say

The Truth About COAL

is that poor fuel is
dear — dear at any
price.

Why not buy coal
that is all fire—one
hundred per cent.
burnable — free from
impurities.

That is the class of
fuel we sell, and our
customers seem to
like it.
