

Is the current trend in Canada bothering you?

When you read the news last week did you feel a sudden surge of confidence in your government? Did the Trudeau press conference on Sunday really make you feel that the whole incident was under control? Did the knowledge that over three hundred of those nasty FLQ subversives had been arrested let you finally get some rest? Were you happy in the safety of your own home knowing your children were safe from terrorist bombings and murders? You were, weren't you? You weren't dragged out of your home and thrown in jail with no formal charge and denied even a phone call, were you? When your Cabinet decides that there is a state of "apprehended insurrection" you can rest assured that we looking after you and your loved ones.
