

Beehives win

Dixie Beehives clinched first place by winning two weekend games, 4-2 from St. Mike's, and 5-2 over Brampton.

Part of the fast action at last week's hockey game between the champion Dixie Beehives and the Metro B All-stars. Players seem to be going in all directions. In the foreground is Wayne Ego swooping after the puck. Seconds after this, he scored the first of his two goals.

Beehives lose All-star game

The Metro Junior B all-stars edged the Dixie Beehives 4-3 last week but it really didn't matter.

A standing room only crowd of nearly 1,300 poured \$1,300 into the kitty, half which goes to Ontario Crippled Children's Fund.

It was a fast, clever hockey game. Dixie were the first to score when Scott Langdon accepted a pass from captain John Danby and promptly put the puck into the all-star cage.

The stars tied the game early in the second period and scored two more before the period ended.

Wayne Ego moved the Beehives a little closer at 6:46 of the third when he scored the first of his two goals. Wayne Bowden and Rick Cunningham drew the assists.

The all-stars moved ahead 4-2 before Ego notched another one for Dixie assisted by Bowden and Al Gordaneer.

With the score reading 4-3, and less than a minute to play, Dixie pulled Stan Worosz in favor of a sixth attacker. They

came very close to scoring in an exciting finish to a good hockey game.

Larry Fullan played a strong game for the all-stars and recorded two goals. Don Thompson and Ed Mundy tallied the other two.

The Beehives took eight penalties to the all-stars four.
