 speak they then delivered they came well provided
 with Interpreters for two spoke good French &
 one English. They asked me for several things
 but I told them the orders respecting strange
 Indians, and it was out of my power. They asked
 me for a passage in a vessel to go to the Gov-
 ernor but I told them they were all American
 Vessels taken in Lumber for Kingston, and did
 not go to Niagara, and I was very happy to get
 rid of them this afternoon. They appear to be
 much dissatisfied.
