Ottawa, March 24, 1910.

My dear Wong Sen Yin,-

I have received this morning your letter of the 22nd instant, and wish to thank you for the generous expressions of gratitude which it contains. I assure you that it was a pleasure to ask the reconsideration of the ruling of the Department of Trade and Commerce in regard to the deposit which your father was obliged to make at the time of your coming to this country, and I was much pleased when I learned that the money had been refunded to him.

I am sure, as your letter says, that you will make a good citizen, and I much hope that you may be blessed with health and prosperity. I had the pleasure of visiting your country about a year ago, and was much delighted by all that I saw there. I am glad to say that some of your countrymen are among my best friends. Every now and then I receive a letter from China, which always gives me great pleasure.

It is very kind of you to enclose \$30.00 with your letter. I hope you will not think I am wanting in
