It will be seen from this table that over half of the total Japanese immigration from Hawaii ~~has~~ was during the months of July and is to be accounted for by the arrivals on board the ~~S.S.~~ Admiral Dewey, Empress and the S.S. Kumeric, also that over and ~~above~~ additional 20% ~~are accounted for by those~~ were among those who came by the S.S. Indiana on the occasion of her ~~two~~ trips during the months of August and September respectively and that another 15% by reason of the ~~two~~ months of her trips during April and May ~~both~~ ~~from Honolulu~~ Minneapolis on those ~~Japanese~~ ships ~~came to~~ were landed at this port of Vancouver. There does not appear to have been anything exceptional in the causes which accounts for the arrivals of those who ~~landed~~ came by the ~~Port of Victoria~~ Victoria, Empress, Minneapolis in all landed Japanese from Honolulu at this port - Empress Empress in all did not exceed 278 probably for the most part Japanese who had friends in Canada or who from other sources of ~~the~~ relatively better ~~had learned of the~~ Opportunities of employment which this country offered. The arrivals by the Kumeric were Japanese emigrants who intended to come to the United States via San Francisco but ~~were~~ found that ~~they were excluded under the~~ entry from an island possession of the United States they were excluded from landing at that port under an order of the President. The expeditions of the Kumeric and the Indiana were each in the nature of speculations, the promoters having taken advantage of the discontent & ~~unrest~~ local heightened in the minds of their victims the ~~Asiatic~~ Mission of Canadian Opportunity which a subsidized Japanese press had already ~~helped~~ fostered (telling what a
