MacMillan Export Co.,  
Vancouver, B. C.

My dear H. R.:

Hon. Sam Cobell, who was for a short time a member of Mr. Bennett's Government, was telling me today that he thought he might have an opportunity of being of service to you in the matter of lumber supplies. I know he has had some experience in getting out timber, but he can tell you that better than I can.

All I want to say is that this man is a stout and dependable Britisher and as creditable a citizen as any country would want to have. A close relative whom I know well is of the same stamp and has been doing excellent service for the Allied side as an airman.

Yours sincerely,

AM/E.
