HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO  
OFFICE OF THE CHAIRMAN  
TORONTO

January 12, 1934.

Dear Miss Edmondson:

Please thank Mr. Meighen -  
and yourself of course - for sending  
along the "Overseas Addresses".

It was very kind of him to  
think of it, and I knew I shall en-  
joy reading them, after which I shall  
keep the book among my treasured pos-  
sessions.

In spite of your pessimistic  
philosophy of the other day, I hope  
you are going to have a happy 1934.

Yours sincerely,

*Jane McDowall*
