Ottawa, September 2, 1913.

Sir,-

I have to acknowledge the receipt of your letter of the 27th ultimo in further reference to the drill arithmetic.

In reply I beg to say that judging from the letter received by you from the Educational Publishing Co. drill arithmetics are for all classes and therefore should, therefore, be ordered for the Indian school. The arithmetic exercises asked for were for the General Book, but, as there is no teacher's edition, this may be omitted from the order. The letter from the Educational Publishing Co. is returned herewith.

Your obedient servant,

*J. G. Patterson*  
Asst. Deputy and Secretary.
