Ottawa, February 14, 1917.

Sir,--

I have to acknowledge the receipt of your letter of the 8th instant in which you state that both rooms in the Sheshegwaning Anglican School are used for the purpose of the Farmers' Club and that it does not in any way interfere with the work of the school.

In reply I beg to say that you may purchase the six bracket lamps and five gallons of coal oil and drum asked for for the use of the Farmer's Club. The Department would like you to report from time to time in regard to what this club is doing.

Your obedient servant,

Asst. Deputy and Secretary.
