desiring the Indians of that place  
to come hither hand with the end of  
the Belt desiring those Indians to lay  
down their arms against our Brethren of  
New England.

The Governor of Mount Royal says you  
have desired his children to come to Albany  
without his consent but he entirely forbids  
them to intermeddle in any matter of  
importance without his knowledge and  
advice and says that he himself will  
always be sent and have a true knowledge  
of all those matters and that they shall  
not go to Albany without his consent and  
that the Governor and Juedes are much  
mistaken to make proposals to his  
of coming to Albany without his  
<sup>leave.</sup>  
~~consent.~~

That Governor also says that he is surpris'd  
that the Menknefs of our Government  
and Juedes that they should make  
such unaccountable proposals to his children  
who are his own flesh and blood and lay  
down the Hatchet against New England  
when at the same time they are promising  
and
