*Further Foolishness*

---

retrospect of time, till as we look back upon the course that has been traversed we pass in view the panorama of our lives, as people in old age may recall, with mingled tears and smiles, the angry quarrels of their childhood. And here, in its larger aspect, humour is blended with pathos till the two are one, and represent, as they have in every age, the mingled heritage of tears and laughter that is our lot on earth.
