### The Royal School Series.

*New Edition.*

The Geography and Atlas Combined. Containing a Complete Geography, Seventeen Full-coloured Maps, and Numerous Diagrams. Small quarto. 0 45

The Maps in this work are reduced copies of those to which the Prize Medal at the Great International Exhibition was awarded, and in regard to which the following, among other Testimonials, has been received by the Publishers:—

From the REV. CANON MOSLEY.—“I have seen enough of these Maps to feel assured that you have introduced a great improvement in Map-making for popular and educational purposes. The plan of squares of hundreds and thousands of miles cannot but commend itself to general approval, for the facilities which it affords of estimating at sight the distances of places from one another, and the superficial measurement of different portions of the Earth's surface.”
