HAWKES CUT GLASS

A yellow diamond makes a good show until compared with a white one, and Hawkes glass shows up the yellow in other cut glass when placed side by side. We can show you five other makes, Canadian and American, but Hawkes stands out in a class by itself. Come in and let us show you the difference, and it won't take long either. There is comparatively very little difference in the cost but oh what a difference in quality.

CITY MAY SELL

Special Meeting To-morrow Night to Formulate Proposition County Council.

The City Council will probably meet on Friday night to comply with the request of the County Council by formulating a proposition to that body for the sale of the city's interests in Harrison Hall.
 A special meeting of the County Council will be called to consider the same.
 His worship, Mayor Cowan, who has taken up this matter in an energetic and businesslike manner, this morning telephoned the Warden and Commissioner Haggart, chairman of the County Property committee, relative to the matter.
 In event of the city disposing of its interest in Harrison Hall, accommodation will be provided in the new market square building, thereby, it is understood, effecting a great saving.

Jarvis Held For Trial.
 Windsor, Feb. 9.—Police Sergeant Nash appeared in court yesterday in the cases against Samuel Jarvis, the burglar, who nearly caused Nash's death several weeks ago. It was Nash's first appearance in public since the shooting. His face had a careworn look and was almost bloodless. The wound in the neck had healed, but the arm is still helpless. The bullet is still in his body, and he suffers a good deal of pain. The court was packed to its utmost capacity. Nash's evidence did not throw any new light on the shooting, but it was enough for the detention of the prisoner. Magistrate Bartlett held Jarvis for trial at the spring sittings on four counts, three of burglary, with offensive weapons, and one of murderous assault.

DISMISSED SUIT

Therefore Ald. Trumble will Retain Seat in Windsor Council.

Windsor, Ont., Feb. 7.—"Go on, you stiff," remarked Ald. Hamilton Trumble in police court this afternoon to John Mowatt, who had brought an action against him to have him convicted of frequenting a bar during prohibited hours. The remark followed the decision of Magistrate Bartlett, who dismissed the case.
 Trumble's trial this morning proved to be the banner event in the history of the new court room. It put the opening of the new building in the shade as far as the size of the curious throng was concerned. John Mowatt, accompanied by his attorney, O. L. Lewis, Chatham, appeared early and was closely followed by the defendant, Trumble. A number of the latter's faithful adherents and several aldermen followed him.
 Several of the witnesses manifested a spirit of forgetfulness, so much so that they did not even remember if they had been in the Manning House on the day in question.
 The defendant was assessed the costs of the case, amounting to \$9.95.

FOR LOCAL OPTION

The Royal Templars of Temperance are by no means satisfied with the action of the City Council in refusing to grant a reduction of the liquor licenses. A. D. Westman, President of the Society, said to The Planet this morning:
 "The Royal Templars are disappointed with the situation regarding the refusal of the Council to reduce the licenses according to the prayer of the petition, and have come to the conclusion that unless the request is reconsidered and granted we will commence a vigorous campaign for Local Option at once."
 "The temperance sentiment in Chatham is growing every day, as was shown by the few who refused to sign our petition presented to the Council. If we had taken a little longer time we could have easily got twice the number of signatures to our petition. The Royal Templars are a strong organization and they are growing in numbers every day."
