

SKIN DISEASES.

SYMPTOMS :

**Erysipelas, Shingles,
Tetter, Ringworm,
Salt Rheum, Pimples,
Scald Head,
Psoriasis,
Itching Sores.**

ALL diseases of the skin are more or less directly occasioned by a bad state of the blood, which produces acrid humors and corrupts the secretions. No one can expect to have a clear bright skin when the blood is in a disordered condition and the stomach, liver and bowels acting feebly in consequence.

The following skin diseases are curable by B. B. B., through its wonderful cleansing, purifying powers on the blood and its renovating action on the entire system, viz., Salt Rheum, Psoriasis, Tetter, Shingles, Scurf, Itching and Burning Rashes, Erysipelas, Cancers, Eruptions, Scald Head, Scrofulous Sores, Ulcers, Abscesses, Boils, Pimples, Blotches. Cures have been made in thousands of cases even after all other treatment had failed. Unprejudiced medical men praise the marvellous alterative action of B. B. B. on the system by means of which skin and blood diseases are cured. In addition to its internal use B. B. B. may advantageously be used externally in many of the above diseases. For particulars, see "Special Directions" on page 2.

GENERAL RULES TO OBTAIN A CURE.

These rules are to be observed as far as possible in treating bad or impure blood, scrofulous complaints, skin diseases, etc. If sufferers faithfully use this remedy, and endeavor to follow these hints, we can conscientiously promise a complete cure.

CURE.—(1) Keep the skin clean; (2) Maintain nourishing action of the bowels; (3) Eat plain, nourishing food; (4) Cleanse and keep pure the blood by taking Burdock Blood Bitters—the Key to health, which unlocks all the secretions, and makes new, rich blood by acting upon the stomach, liver, kidneys and bowels. B. B. B. cures all blood diseases from the smallest pimple to the worst scrofulous sore. Obstinate blood humors and scrofula of years' duration and apparently incurable have been permanently cured by B. B. B. See testimonials.

MISS SUTTON.

Salt Rheum Cured.

GENTLEMEN.—I was troubled so bad with Salt Rheum this winter that I lost some of my finger nails and was unable to wash. The doctor told me it could not be cured; he gave me an ointment but it did me no good; in fact, my hands got worse. Several other remedies also failed to effect a cure, and I then thought I would try Burdock Blood Bitters. I did so, and with the use of three bottles am quite recovered, able to work again, and recommend B. B. B. to all suffering from Salt Rheum.

MISS ETTIE SUTTON,

Guelph, Ont.

Our Family Physician.

DEAR SIR.—I was troubled with Eczema (Salt Rheum) for about two years, but I did not bother with it until it began to itch and spread over my hand. I then took four bottles of B. B. B. which completely drove it away. It was by my son's advice I took B. B. B., as B. B. B. is our family physician.

J. S. MILLS,

Collingwood, Ont.

For Boils and Skin Diseases.

DEAR SIR.—I have been using B. B. B. for boils and skin diseases, and I find it very good as a cure. As a dyspepsia cure I have also found it unequalled.

MRS. SARAH HAMILTON,

Montreal, Que.

Erysipelas Cured.

SIR.—A few years ago I took an attack of Erysipelas and was forced to give up my work entirely. Friends advised the use of B. B. B., and after using one bottle of B. B. B. and one box of Burdock Healing Ointment, I felt perfectly cured. I never expected to be cured, so bad was my case, and therefore I think B. B. B. cannot be surpassed.

DANIEL McNAUGHTON,

South River, Ont.
