Selected Spice

"Do you know," said a Sunday School
teacher to a new pupil in the Primary
class, "that you have a soul?" "Of course
I do," replied the little fellow, as he
placed his hand over his heart; "I can
feel it tick."

"Mrs. O'Rooney," said the parish
priest, "why do I never see Patrick at
church any more?" Mrs. O'Rooney
shook her head sadly. "Is it Social-
ism?" "Worse than that." "Is it
atheism?" "Worse, your reverence."
"What is it, then?" "Sure, it's Rhen-
matism."

One day a gentleman was dining at a
friend's house with his little son. The
dinner was late, and the boy, hungry and
impatient, at length said, "Papa, why
don't you kick up a jolly row, same as
you do when we're home?"

In an English workshop was heaped
a great pile of Bibles marked at a very
low figure. Above them printed in big
letters was the sign, "Satan trembles
when he sees Bibles sold as low as
these."

"Do you think they approved of my
sermon?" asked the newly-appointed
preacher. "Yes, I think they did," was
the reply. "I noticed quite a number of
them nodding."

Soon after the King had passed a
large body of children at Mousehole,
Norwich, a little girl was seen to be
crying. "What are you crying for, my
child?" asked a kind teacher, "you
have seen the King, haven't you?"
"Yes," replied the little weeper, "but,
please, teacher, he didn't see me."

A lady teacher in a poor East End
district happened to ask the question:
"What can you tell me about Good Fri-
day?" And the girl, quite mistaking the
grift of the question, promptly replied,
"Oh, he was the man that did Robin-
son Crusoe's washing!"

Make Bicycling a Pleasure

Do you remember that slogan:
"These are the only Tools you'll
need?" With what joy you took
to bicycling on Dunlop Pneumatic
Tires. That was in 1892, or
thereabouts, and Dunlop Bicycle
Tires are still in the same com-
manding position. Nothing in the
form of a Bicycle Tire has ever
been invented that can approach
the Dunlop.

A Well-Founded Preference

If there is any writing on the
wall which you should particularly
heed in bicycle tire-buying time, it
is this: "That man is no friend of
yours who tries to talk you out of
your preference for Dunlop
Tires."
