

"The Oldest Life Company in America"

Issued its First Policy in 1848

Three leadership achievements of the Mutual Life:—The American Experience Table of Mortality, the cornerstone of modern life insurance. The "contribution plan" of surplus distribution, used almost universally by American companies. The Continuous Instalment policy, the basic form of all Life Income contracts.

"Mutual Life"—known in every household. Unexcelled policies and service, notable financial strength, co-operation with agencies. Life Insurance at its best!—the Agent's desire and ideal.
