and further increases can be reckoned upon.

There was also an active demand for butter this week and as a result prices on this commodity have been advanced again. The markets held in the Eastern Townships on Saturday all sold at 22½¢ and the prices paid last week in some cases, week's receipts being over 50 per cent greater than for the corresponding week last year, and in spite of this fact prices are higher, owing to the great demand for butter coming from all parts of Canada.

TORONTO FAT STOCK SHOW

Arrangements are being made for holding a big Fat Stock Show at the Union Stock Yards, Toronto, on December 12th and 13th.

It is understood that very liberal prizes will be offered, some ranging as high as \$200, which will invite strong competition among the leading feeders and dealers in cattle, sheep, lambs and hogs.

The object of the show is to interest farmers and breeders of live stock generally from all over the country, whereby the producer could reap greatly increased returns from their flocks through the production of animals more suitable for the requirements of the buyers and packers, a point which is to a great extent.
