You Will Be Surprised

to learn how cheap we are selling fencing this year considering the cost of wire. Better see about it before you buy. No other fences made of wire like ours. Put Page up with good end posts, it will stay there tight and nice.

A Cultivator

of World-Wide Renown.

THE Massey-Harris Cultivator

Is made almost entirely of steel. The framework, sections, teeth and shoes are of steel, which accounts for the splendid wearing qualities of the implement.

Every farm should have a MASSEY-HARRIS CULTIVATOR among its implements. It stirs up the soil and cultivates it at a perfectly uniform depth. Farmers who have used it say they would not be without it—it is such a saver of time and labor.
