> China Mission College Almonte, Ont., April 29, 1920.

The members of the League of the Sacred Heart all throughout Canada are taking great interest in the Almonte China Mission College, feeling they are thus contributing to wards the glorification of the Sacred Heart in lands as yet unevangelised.

Some are contributing towards the completion of the Sacred Heart Burse and the League of the Sacred Heart Burse, which when completed will educate in perpetuity students the Chinese Missions. Some Parish Priests are getting the mem bers of the League interested in these two Burses and sending on contributions. Others have their placed a box at the door of the church in which the faithful are invited to drop their offerings towards the completion of the Sacred Heart Burses. Others again are voting a portion of the League funds towards this noble object. In a word, "where there's a will, there's a way." The Secretary of, the League of

the Sacred Heart, Newcastle, N. B., writes :

Despite the statements made in the House of Commons by Mr. Bonar Law and in the French Chamber by M.
