

**WHO IS YOUR LEADER?**

"Who is your leader?" asks Sir Thomas White to his electors assembled at Brockville on the evening of November 7th, "Under which flag, Borden or Laurier?"

This is a momentous question and we repeat to the electors of Canada, "Who is your leader?"

**"LAURIER"** or **"BORDEN."**

The people or The Big Interests.

Do you favor

The soldier or The profiteer.  
 The worker or The trusts.  
 The consumer or The food manipulators.  
 The tax payer or The pork barons.

Shall we have

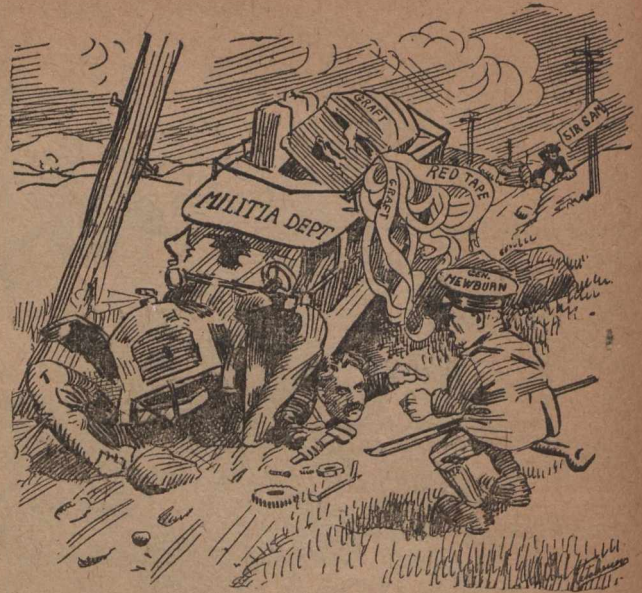

The people consulted. or The people ignored.  
 Cheaper food or Higher tariff.  
 Honesty or Grafting.  
 Economy or Extravagance.  
 Direct purchasing or Middlemen's profits.  
 A United Canada or A divided Canada.  
 A people's Government. or A millionaires' Government.  
 A Government utilizing its national workshops or for the state. A Government leaving its National workshops to partisan supporters for private gain.  
 A National Government. or A "Union Government."

Shall we be under the flag of

Liberty or Bondage.  
 Democracy or Autocracy.  
 Free people or Organized privilege.

Sir Thomas White has registered his vote in the "Borden" column. Where will yours be found?

**"MY LEGACY".**

General Mewburn:—

"I received a very bad legacy."

"Thy system was rotten."

**ARE THEY AFRAID TO FACE THE ELECTORS.**

The aim of the new Borden Government is to secure as many elections as possible by acclamation. Failing this, an effort will be made, to secure between nomination and polling day, the withdrawal of the straight Liberal candidate, thus leaving the Borden Government candidate supreme. We warn our Liberal friends to beware. We ask:—if the Borden Government is so sure that they are voicing the true sentiment of the people why are they afraid to permit the people to go to the polls and cast their ballot? A brave man is always willing to face his foe. A sound Government should not be afraid of the election.
