Dread Diseases-Intelligent Women Prepare for It. Two Relate Their Experiences. The "change of life" is the most critical period of

a woman's existence, and the anxiety felt by women as it draws near is not rithout reason. Every woman who ne-glects the care of her health at this time invites disease and pain. When her system is in deranged condition, or she is predisposed to apo-plexy, or congestion of any organ, the tendency is it this period likely to become active-and with a host of nervous irritations, make life a burden. At this time, also, cancers and tumors are more liable to form and begin their destructive work. Such warning symptoms

as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the irregularities, constipation, variable appetite, weakness, inquietude, and dizziness are promptly heeded by intelligent women who are approaching the period in life when woman's great change may

Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life. It invigorates and strengthens the female organism and builds up ens the female organism and builds up the weakened nervous system.

For special advice regarding this important period women are invited to write to Mrs. Pinkham, at Lynn, Mass., and it will be furnished absolutely free of charge. The present Mrs. Pinkham very pleased to write and tell you my experience with it. I am the mother of three children grown to womanhood, and have safely passed the change of life, and feel as young and as strong as I did twenty years ago, and I know that this is all due to your woman's friend, Lydia E. Pinkham's Vegenable Compound. I red it before my children were born, and the greatly assisted nature and saved me much pain during the For special advice regarding this im- Dear Mrs. Pinkham:-

nature and saved me much pain during the change of life. I took it, off and on, for four years, and had but little trouble and sickness that most women have to endure."

—Mrs. James K. Mann, 806 Bathurst St., Dear Mrs. Pinkham :-'In my opinion there is no medicine "In my opinion there is no medicine made for women which can compare with Lydia E. Pinkham's Vegetable Compound, and you have no firmer friend in the Dominion than I am. At the time of change of life I suffered until I was nearly crazy, and was not fit to live with. I was so irritable, irrational and nervous that I was a torment to myself and others. I surely thought that I would lose my reason before I got through, when fortunately an old friend recommended your Vegetable Compound. Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fall.

QUAKE-PROOF HOUSE.

Kitchener's Brother Has 1.000,000 Bushels of Grain Unmark-

LONDON, April 4.-Colonel Henry E. C. Kitchener, Lord Kitchener's eldest brother, who resigned from the McGee, a prominent real estate man British army several years ago to be- of Yorkton, Sask., and W. R. Parsons, come a banana planter in Jamaica, is barrister, of the same town, speaking now in England purchasing material to a Free Press representative said for the construction of an earthquake that the car shortage question was proof house. Colonel Kitchener's re- very acute in their town. Want Preference for West Indies.

today it was decided to petition Sir Wilfrid Laurier to give preference to the West Indies.

Baby was Choking with Cold on Chest PARENTS IN GREAT ANXIETY. BUT QUICK RELIEF AND CURE

RESULTED FROM USE OF DR. CHASE'S SYRUI LINSEED AND TURPFNTINE after a short limess, which a serious aspect a few days ago. Mrs. Potts was born at Kingston in 1840,

Mr. F. W. Smith, 364 Nepean St., the daughter of Mr. Wm. Breden. Ottawa, Ont., writes: "My sister's Since her marriage she lived in Hamlittle baby, Albert McDermott, four fiton, London, Montreal, and Toronto, months of age, was so bad with a the most of the time, however, in this he would choke to death. Dr. Chase's two sons and two daughters to mourn Syrup of Linseed and Turpentine was her departure. obtained, and I am happy to say that it brought relief almost at once. "The baby was completely cured by the use of three bottles, and my sister and her husband are very grateful for this cure. We shall all recom. mend this great medicine."

Under few circumstances does mother feel herself so anxious and so helpless as when the child in whom her hopes are centred is seized with croup or bronchitis and ruggles in vain to get its breath. Any cough mixture the dealer may offer is not good enough in face of serious illness. You insist on having Chase's Syrup of Linseed and arpentine because it has been proven by the test of time to be the most ertain cure for croup, bronchitis and severe chest colds.

ST. JOHN, April 8.-When Empress of Britain, the vessel on which Premier Laurier sailed for Liverpool was leaving Port on Friday Children like to take Dr. Chase's evening, a hawser on the tug broke syrup of Linseed and Turpentine and and the big liner swung around and leing composed of simple vegetable just missed crashing into the Dopaldingredients it is well suited for their son liner Cassandra on the opposite use. 25 cents a bottle, family size 60 cents. At all dealers or Edmanson, met there would probably have been

DEATH DUE TO COMPLICATIONS AFTER OPERATION FOR APPENDICITIS.

TORONTO, April 8.—The death of W. St. John, Speaker of the Ontario egislature, who died in the hospital on Sunday following an operation for appendicitis, has cast a gloom over the city. Complications ensued after the operation and the patient developed liabetes which proved fatal.

The Hon. Joseph Wesley St. John, M.A., of West York, was the son of James and Jane St. John, the former being Irish and the latter Welsh. He was born July 17, 1854, in the Township of Brock, near Sunderland, Ont., and educated at Brock Public School Cobourg Collegiate Institute and Victoria University, (B.A. in 1881 and "Certainly not, Mr. Curtis," replied or the minute they find themselves M.A., 1084). He was unmarried and Kitty, looking at me severely. "Didn't alone with her. They imagine that a Legislative at the General elections you came?" of 1894 by a majority of 53 and was candidate again at the general elecions of 1898 but was defeated by 35. He was re-elected at the general elections of 1905. He was a member of the Senate of Victoria University. He was elected Speaker of the Legislative at the opening of the session of way." 1905. He was a Methodist and a Con-
